

XVIII. APPOINTMENTS REQUIRED OF MONTHLY MEETINGS, QUARTERLY MEETINGS, AND YEARLY MEETING

A. Appointments of Monthly Meetings

Terms of office and procedures for appointments are different in the various Monthly Meetings; however, FAITH AND PRACTICE gives these guidelines:

“All officers of the Monthly Meeting shall be appointed annually, unless otherwise stated. All appointees hold their positions until their successors are appointed. Where numbers permit, committee members may be appointed to a two-year or a three-year cycle, giving special attention to rotation in office. Rotation in office is recommended as contributing to the training of new workers and the spreading of responsibility among the membership.” FAITH AND PRACTICE, p. 64.
