Tim and Ann Kendall

Our Directors, have been involved with missions for over 20 years. The Kendall's have roots in southern Alabama and are excited about serving with NCYM in Sank Town.

Leading others to live their full potential in Christ is their goal.

“A ministry such as MOWA, gives the ordinary Christian the opportunity to do something *extraordinary* for Christ”

In three easy steps you can experience this for yourself!

1. Make yourself available to be used by God.
2. Get into position where God is working.
3. Be amazed at how God changes you, and uses you as one of His servants.
