And **please do** contact either me (Pat Cheadle) or some member of the committee if you have a problem and we will work with you until we find a solution.

John Himlesh, a counselor from our school in Ramallah will be in North Carolina August 11-14. He will be speaking at First Friends Meeting in Greensboro for worship service on Sunday, August 14. If you would like to have him at your meeting, please contact me as soon as possible. On behalf of the committee members, thank you for your continued prayers, interest and support of our missions.

The prayer of a righteous man is powerful and effective.

ANOTHER FRIEND IN BELIZE

For years we had Mike and Kay Cain in Belize. Then in January of this year Andy and Lisa Stout went to Belize. Now there's another, but it will be a few years before we can expect much work from him! Spencer Joseph Stout joined Lisa and Andy on May 27. They report that he's healthy and weighed in at 8 pounds 4 ½ ounces, and 20 ½ inches long. The report is that both he and mom are doing well.

If you would like to send best wishes to the Stouts on the birth of their son, you may write them at the school address: P.O. Box 454, Belize City, Belize, Central America.

These first few months that Andy and Lisa have been in Belize, they've been busy learning the country and culture and helping the Cains at the Boys' School.

As time goes on, the Stouts will take on more responsibility at the Boys' School to allow the Cains to put more time into plans for a high school at La Democracia.

CHICAGO FELLOWSHIP

Please remember to pray for Chicago Fellowship of Friends. At present they are without a pastor and members are taking on various responsibilities to keep their Meeting alive, including filling the pulpit.

Michael Lock, an Iowan Friend who joined CFOF while in school at Illinois College of Optometry, and who still lives close enough to continue going to CFOF, is one of those members. You may remember reading about Michael a few newsletters ago. He has now completed his education. He and his wife, Janessa, who is still in Optometry School, are faithful working members of CFOF. Janessa is currently in Haiti with a mission group for a few weeks.

*The eyes of the Lord are on
the righteous and His ears
are attentive to their cry.*

KENYAN WATER PROJECT

Obtaining pure drinking water is a major problem in many countries throughout the world. When Lou and Bob Ouradnik of Deep River Meeting in Greensboro hosted several Kenyan women in their home last summer following the Triennial, they heard about the need in Kenya.

Lou and Bob are not missionaries but were touched greatly by what they heard from the women. They have now put together a presentation, which includes a video, to educate local Meetings about the water project in Kenya.

If you would like for Lou and Bob to bring the presentation to your Meeting, you may contact them at 336-854-9681 or write them at 720 Chimney Rock Road, Greensboro, NC 27409, or email, rouradnik@earthlink.com. Coverage of travel expenses would be appreciated but not required.

WANTED!

Mission Trip Articles

Many of you are taking part in short-term mission trips this summer. All of us who have a heart for missions want to hear about you and your trip. Please send information about where you went, what you did, and what it meant to you. Give me facts about your trip and I'll write the article based on the facts you give me. If you prefer to write the article yourself, keep in mind that editing may be required due to space available.

You can either mail to me at 700 Ellington Drive, Winston-Salem, NC 27104, or email mecromer@bellsouth.net. If you choose to email, please state on subject line, "For NCYM Newsletter."

REQUEST

FROM THE PHILIPPINES

Karl and Peggy Luff ask that you pray with them that God will guide them in making a wise financial decision about purchasing the much needed vehicle for their work. Also pray for their finances in general.
