Fasting and Prayer

Beginning in January of 2013 we are calling all Friends in North Carolina Yearly Meeting to a 21-Day period of fasting and prayer. The purpose of this time will be to help us better focus on Jesus Christ and His leading for us in our local Meetings and our Yearly Meeting as well.

During this season of prayer and fasting there will be services of praise and worship offered on the Monday evenings of January 14th, 21st, and 28th. These services will help us focus together on the 3 phrases of the 21 days: Thirst, Surrender, and Grace.

More information will be sent out with service locations and other materials that will help you and your Meeting focus on The Holy Spirit's leading during these 21 days!
