Morning Call to Prayer at Yearly Meeting

The Program Committee has changed morning worship at Yearly Meeting sessions to the *Morning Call to Prayer*, returning to the original intention of a time to come together in prayer and grounding for the day. While there is someone who will convene this time and speak for three to four minutes, this is not a time for passive listening to a speaker, but for active listening for and sharing God's word for the day as well as a time to lift up any concerns in prayer. We hope everyone will join us for a time of collectively turning to God as we begin each day of Yearly Meeting.
