

STEWARDSHIPS! THE BIBLICAL WAY!!

“Sacrifice and Offering you did not desire...”
“Here I am.... I desire to do your will....”

Are you worried about your church? Is it a growing vibrant meeting? In the book, [It Only Hurts On Monday](#), we are told that startling evidence points to the decline of the traditional church. The author’s site statistics prove this:

- Eighty to Eighty five percent of churches in North America are declining in attendance.
- Approximately 2800 churches close their doors each year.
- Ten million dollars in church property is given away annually by dissolving churches.
- Outflow of people from churches outstrips inflow by a large margin.
- Church growth, where it is seen, is largely transfer growth.

Stewardship is much more than money. God commanded, give of yourself to the Lord.

A wise church seeks to get all members involved through small groups, prayer and the work of the church. There are enough tasks to go around and everyone can do something. All can work on the grounds, the building, teach, lead a discussion, cook, drive a bus, or play with the kids.

Look around you! You are probably so busy; you don’t see how you can take on another thing. But look around you; include someone in your group.

“Then a voice came from the throne, saying: ‘Praise our God all ye his servants’ ”...Revelations 19:5
